This space offers the perfect ambience for intimate dining or cocktail events, boasting floor-to-ceiling windows that provide an unparalleled view of the Enchanted Valley and Alfresco Terrace below.

The room also features a private bar for your guests' convenience. If you are planning a larger-scale cocktail party, the adjacent Alfresco Terrace is an excellent addition - offering ample space for guests to unwind and enjoy the stunning surroundings.

Views 102 & Balcony

Located in a picturesque spot overseeing the Enchanted Valley, this dual-decked gem is sure to impress your guests even before your occasion starts.

The charming balcony of Views 102 is an ideal spot for pre-drinks, followed by the main event in the spacious room.

The room can comfortably host 80 – 120 people in a seated arrangement and is an ideal setting for afternoon tea parties. Additionally, you can opt for the Forest Views room to create a secluded dance floor, which also has direct access to a private bar.

Sandalwood Room

Our largest space, the Sandalwood Room, has the capacity to seat up to 170 guests or accommodate 200 for cocktails. Its front-facing water feature and mirrored end walls lend an airy ambiance that's perfect for capturing milestone memories.

For a complete experience, pair this space with the Alfresco Terrace for an ideal pre-event setting before moving into the Sandalwood Room to enjoy stunning views and party the night away. Views to impress everyone and as the sun goes down over the valley a room to party all night long in.

The Alfresco Terrace

Wanting to party under the stars? This is the ideal location overlooking the Enchanted Valley.

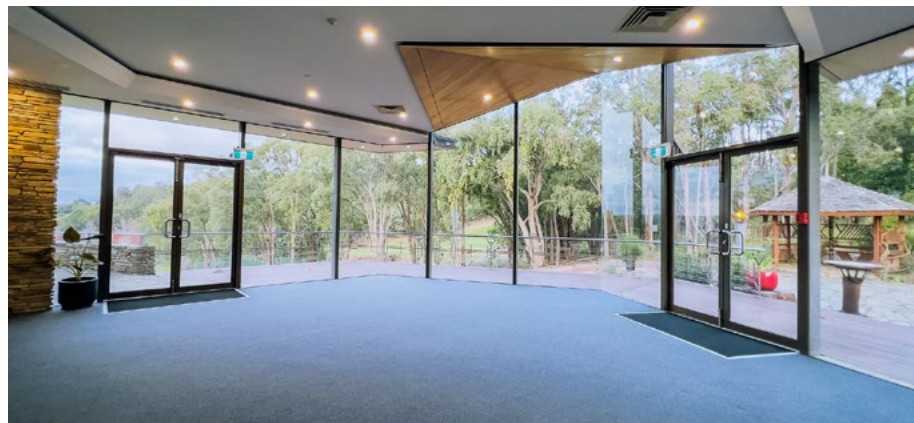

A great space for 80 pax cocktail or even utilizing the Alfresco Terrace custom made furniture to create an outdoor dining experience for your guests.

As the sunsets over the course for those warm balmy summer nights host a grand event and dance the night away under our festoon lighting.

Forest Views

Small doesn't mean less significant in our eyes, this space showcases a small area for an intimate experience.

You have the ability to use the decking area that wraps the outside of this room in order to enjoy the fresh air and views of the Enchanted Valley giving the perfect indoor / outdoor experience for your event.

The Alfresco Lawn

Our newly grassed Alfresco Lawn is ready and awaiting your next private event, perfect for large groups looking for an outdoor space to party into the night. A beautiful gazebo, manicured gardens surround it and festoon lighting above. For dining, our recommendation would be food stalls or cocktail-style arrangements, both of which work superbly in this section. A blank outdoor canvas for you to use your imagination to create something unique and unforgettable.
